

Corporate Pilots

**Do you want to advance your career in Aviation?
Then consider a move to Shoprite Checkers!**

The Shoprite Group of Companies, based in Cape Town, is providing these once in a lifetime opportunities to 2 suitably qualified Pilots.

The successful candidates will be responsible for the safe and economic operation and management of the aircraft they are assigned to. Their roles will require performing duties of Captains on a medium sized business jet and a light turbo prop aircraft. These aircrafts are used in transporting company employees and consultants to the company interests in Sub-Saharan Africa. Responsibilities will include, but are not limited to; the successful management of Flight Operations and Safety, as well as Flight Administration.

These roles will demand unconventional hours and a strong sense of responsibility and professionalism at all times. The successful candidates, that do not have a Type Rating, will receive Type Rating training and will be expected to sign a three-year training bond.

In order to qualify for these positions, successful candidates need to meet the following minimum requirements:

Qualifications:

- Airline Transport Pilot License (ATPL) – valid SACAA (Essential)
- Valid Certificates in the following:
 - Aviation Medical Certificate (Essential)
 - Crew Resource Management Certificate (CRM) (Essential)
 - Dangerous Goods Certificate (DG) (Essential)
 - Safety and Emergency Procedures Training (SEPT) (Desirable)

Job Related Experience for the medium sized jet (Falcon 2000):

- Flight hours – Total Time – 4000 hours (Essential)
- Multi Engine Jet Flight Time – 2000 hours (Essential)
- Experience in a corporate flight department (Desirable)
- Flight Instructor Rated (Desirable)

Job Related Experience for the light turbo prop aircraft (Pilatus PC-12):

- Flight hours – Total Time – 3000 hours (Essential)
- Turbine Flight Time – 1500 hours (Essential)
- Experience in a corporate flight department (Desirable)
- Flight Instructor Rated (Desirable)

Job Related Knowledge:

- Aviation Legislation & Flight Procedures (Essential)
- General Aviation Technical Knowledge (Essential)
- Jeppesen Flight Star (Flight Planning Programme) (Desirable)

Job Related Skills:

- Computer Literacy – MS Office Suite – Word & Excel basic skills (Essential)
- Problem Solving Skills (Essential)
- Communication Skills (Essential)
- Risk Assessment Skills (Essential)

The successful candidates will receive market-related remuneration packages.

Please register and submit your application via the following online link: <https://shoprite.erecruit.co.za> and browse “Aviation”. Applications should be submitted by no later than 30 June 2015.

If you have not received a response within four weeks of the closing date, please accept that your application was unsuccessful.
